

One of the most exciting projects we've come across in years!

Please join us for this launch of [Valkyrie Selections](#) in Vermont!

Who? *Valkyrie Selections, bringing a fresh, modern approach to wines rooted in tradition, a new wave of wine importer. From their directorship experience at Eric Solomon Selections, European Cellars, one of our favorite importers, these are wine industry insiders with combined experience in restaurant, retail, wholesale & import business, uniquely suited to service distinct tiers of restaurateurs and retailers in Vermont.*

What? *Valkyrie Selections represents family-owned vineyards from across Spain & France that produces—above all else—wines with soul and authenticity. A balanced, fresh, delicate & acid-driven portfolio perfect for the table. You will find these wines on the best restaurant lists in the world and in the cellars of the wine cognoscenti, and on our own tables!*
